## OUT AND ABOUT

We aspire for a more balanced, vibrant world with global citizens, where the flow of people and capital between countries is based on responsible and efficient decisions. Today's world is fast-paced, with creative solutions, cutting-edge technologies, and diversity. We want to contribute to the next level of globalization through economic, social, and cultural integration.

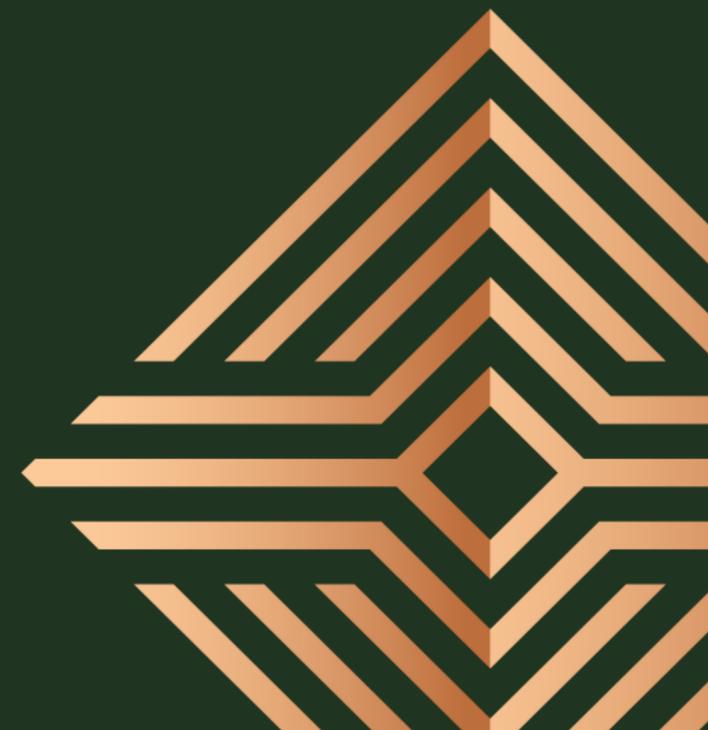

# Beneficiaries

---

Any foreign subordinate worker or independent professional who intends to exercise a professional activity, remotely, in Portugal, to individuals or legal entities with their domicile or head office outside national territory.

A man with a beard and short brown hair, wearing a dark blue suit jacket over a light-colored shirt, is sitting in a bright yellow leather armchair. He is smiling and looking towards the camera. A laptop is open on his lap. The background is a warm, blurred interior space with wooden paneling and a large yellow object, possibly a lamp or a piece of furniture, on the right. The overall lighting is soft and warm, creating a comfortable and professional atmosphere.
